REQUEST TO IMPLEMENT IMMEDIATE WATER RESTRICTIONS IN THE KAROO HOOGLAND MUNICIPALITY

The Department of Water and Sanitation, Northern Cape, hereby kindly requests that immediate water restrictions be implemented within Sutherland due to problems experienced with production boreholes in the area. Water level monitoring has indicated that only one of the three boreholes currently being abstracted is showing good recovery.

1. The watering of gardens and washing of cars with hoses should be prohibited.
2. The filling of municipal or private swimming pools should be discouraged.
3. All water leaks and burst pipes should be attended to immediately.
4. It is recommended that water be provided to the town for only 10 hours a day.

For any further enquiries, Ms. D Hohne can be contacted on 054 338 5800 or emailed at hohned@dws.gov.za.
